Dear John:

Congratulations on receiving the Mitsubishi Electric Elite Diamond Contractor Award of 2021. This award recognizes the 'best of the best; only 10 Mitsubishi Electric Diamond Contractors in the USA receive this award. Your company was chosen from nearly 1000 other contractors in the Southwest Business Unit of Mitsubishi, covering Texas, New Mexico, Oklahoma, Louisiana, Kansas, Missouri and Arkansas.

Hubbell Electro-Mechanical represents the best of what a Diamond Contractor can be. Your commitment to training, product knowledge, expert installations and unprecedented customer service are industry standards. Hubbell is transforming your market and preparing your community for a sustainable future.

We greatly appreciate your partnership as exemplified by collaboration on product development and willingness to coach and mentor other contractors. Seldom do we encounter a contractor with such dedication to homeowner comfort, customer service and true partnership with Mitsubishi Electric.

Thank you again for your years of service to your community, your employees and to our organization.
